Culture and Background

Radley College is an independent boarding school of 765 boys situated five miles south of Oxford on a stunningly beautiful rural campus close to Radley village. The school is academically selective and offers a significant number of bursary places to talented boys from a variety of backgrounds. As a full boarding school, Radley is a vibrant and active place to work, with many opportunities for teachers to get involved in an enormous range of extra-curricular activities and contribute to the excellent standards of pastoral care offered to our students. With most teaching staff housed on the site, one of the outstanding features of Radley is its sense of community and family atmosphere. The ethos of the school is one of warmth, generosity, and kindness. We care about results in all areas of college life – we believe very much in the pursuit of excellence and have high expectations of ourselves and the boys – but care even more about the development of the character of each Radleian: culturally, emotionally and spiritually

It is an extraordinarily busy and vibrant place: everyone is encouraged to be fully involved in a wide variety of activities outside the working day, with staff encouraged to see the plays and concerts put on by pupils. Further information about the school may be found on our website.

We are looking to appoint a confident and vigilant Security Porter with excellent communication skills to ensure pupils, staff and visitors are safeguarded within a comprehensive security service.
