

RADLEY

It has been a very successful year for the College. *Tatler* School of the Year, National Mace Debating champions, U15 rugby champions, VEX Robotics national runners-up, finalists in the Pro Corda Chamber Music Festival... the list goes on. The boys continue to excel in all areas of College life, and we are deeply proud of the young men they are becoming.

We wish our 6.2 boys the best as they leave Radley and join the OR community, and thank them for their contributions over the last five years. We look forward to seeing you all at Gaudy tomorrow to celebrate the boys' achievements. The Warden's End of Term Letter will be sent tomorrow afternoon. Have a lovely summer break.

There will be two Church of England confirmation services next academic year (Sunday

so please encourage boys to register before leaving on Saturday or to email the [Chaplain](#) over the Summer.

Gaudy - Saturday 6th July

There will be many hundreds of cars on campus for Gaudy on Saturday 6th July. Therefore, we kindly ask that parents adhere to the parking plan, available [here](#). Members of our Estates Team will be on hand to provide assistance. Full details about the plans for Gaudy and parking can be found below.

Health Centre

The Health Centre will close on Saturday 6th July at 5pm, reopening on Tuesday 3rd September at 7pm. During this time, if your son requires any medication/repeat prescriptions, you can access Long Furlong Medical Centre in one of three ways:

- 1) Contact Long Furlong Medical Centre via [email](#). You will need to provide your son's name, date of birth, the name of the medication needed and dosage, along with the details of the pharmacy that you would like the electronic prescription sent to.
- 2) Long Furlong Medical Centre Website online form, available [here](#). If you plan to use this method, please access it as early as possible on the day (it opens at 8am), as it closes when the maximum entries are reached for the day.
- 3) NHS App (if your son has access).

Please do not phone Long Furlong with any medication/prescription requests, as they can't accept these over the phone for safety reasons. Please also allow at least a week if requesting repeat prescriptions. During term time, please continue to contact the Radley College Health Centre for repeat prescriptions. For appointments or medical queries, please use the Long Furlong Medical Centre Website online form, available [here](#).

Second Hand Uniform Shop

The second hand uniform shop has been incredibly popular with parents. We are keen to replenish the stock, particularly of sports kit and equipment. If you are coming to the end of your time at Radley and are willing to make a donation, please clearly label items 'second hand uniform shop' and leave it in Stone Hall (entrance of Mansion) at Gaudy or over the summer. All proceeds are donated to support The Radley Keys Award. So far, we have raised more than £3,500. Thank you in advance for your support.

Futures and Networking Evening

On Tuesday evening, we held our second Futures and Networking Evening. Thank you to parents and ORs who made the event such a success. We welcomed 19 speakers from different industry areas such as renewables, marketing and AI. More than 150 students from Radley and OX14 Partnership schools attended, and the feedback has been fantastic. The evening began with a choice of 25-minute 'Introduction to Industry' sessions, followed by an opportunity for students to develop their networking skills. If you would like to contribute to next year's event, or indeed any careers event, please register [here](#). **[info/action]**

News

Ben Holden - A Tribute

Ben Holden has worked at Radley College since 1987, rising from Assistant Teacher to Sub-Warden. He retires in August after 37 years of impeccable service. In this tribute, produced by Radley Video, we invited his friends and colleagues to share their memories, and asked Ben to reflect on his life at Radley. In the words of the Warden, Ben has been an astounding servant of the College and he will be much missed by the whole community. The video is available to watch [here](#).

CCF Inspection Day

Our annual CCF Inspection Day took place on Wednesday. In addition to trials and activities, a Boeing Apache helicopter landed on Smithsons'. Seeing this incredible aircraft at close quarters was a real treat for boys and staff. A video of the helicopter departing is available [here](#). Photographs of the day can be found [here](#).

St Paul's Evensong

The Chapel Choir sang Evensong at St Paul's Cathedral in London on Monday evening. They sang the Clucas *Reponses*, Leighton's *Magdalen Service* and Britten's *Hymn of St Columba*. The Precentor said it was some of the finest singing he has heard from Radley boys since he joined the College in 2017. Photographs of the event are available [here](#).

OxTrail Project

The Radley Ox – painted by James (6.1, J), Marco (6.1, H) and Theo (6.1,F) – is now part of the Oxfordshire herd. The OxTrail project aims to raise money for Sobell House Hospice in Oxford, which provides expert and compassionate care to people at the end of their lives. We have reached

Life Skills Week

The Fifth Form returned to Radley for Life Skills Week. This annual event requires boys to think about their goals for the Sixth Form and to start developing the leadership skills they will require at the 'top end' of the College. Activities included the One Day Film School (led by OR, Ed

entrance and the Radleian Society) and an overview of the Curriculum Extension Programme.

J16A for GB Rowing

Congratulations to the J16A rowers, who have qualified to represent Great Britain in the GB vs France fixture which takes place mid-July. The boys beat KCS Wimbledon in a tough final to secure selection. All the boys will win an international vest, marking a significant achievement for them as individuals and for the College as a whole.

secured podium places. Steve (R, H), Adrian (R, F), Ethan (R, H) and Ray (R, H) competed as 'Team Radley'. They were asked to make a reaction happen in exactly 20 seconds, coming within half a second of the target. When combined with their written questions, they were in first place. However, they missed the tiebreaker question and had to settle with a respectable second.

Partnership Sports Day

On Wednesday, we welcomed nearly 400 KS2 children from Orchard Meadow and Pegasus Primary Schools for their annual sports festival. The event was led by our Fifth Form Young Sports Leaders, who have been supporting PE lessons throughout the year.

Youll Shield

Our tennis players won the Youll Shield (the trophy for losing quarter-finalists) at the ISTA Championships held at Eton this week. More than 100 schools take part in ISTA, including a good number of specific tennis academies, so this is a significant achievement. The Radley team comprised of Woody (6.2, C), Hugo (6.2, B), George (V, J) and Alverery (6.2, G).

Charities Report

Sulayman (6.2, D) has put together a comprehensive review of the College's charitable endeavours this year. The report gives a great flavour of all that has gone on, ably led by Sulay. We look ahead to next year when Mr Chris Mason takes over as Head of Charities and our student lead will be Ed (6.1, D). The report is available [here](#).

Writing Workshop

This week, the Fifth took part in the annual Haddon Cup writing workshop. Tim Cook, RADA and Royal Court alumnus, and founder of the Broken Silence Theatre, led the workshop. He took boys through a series of exercises on how to generate ideas, consider settings and characters, and play with structure. We can't wait to see what the boys produce for their Haddon Cup 2024 plays. We look forward to welcoming Tim back to adjudicate the competition.

Staff Departing

We are saying a fond farewell to a number of colleagues this year. In addition to the Sub-Warden, who has served the College since 1987, we are saying goodbye to John and Hazel Gearing. John has coached the 1st VIII for 18 years and has variously taught Geography, served as Master in Charge of Rowing and been a Sub-Tutor. He has overseen an incredibly successful period for Radley College Boat Club, including three Henley finals, a wealth of medals at National Schools' Regattas and Olympic medals for several Old Radleians. Hazel Gearing has worked at the College for almost all of that time too as our Reprographics Technician. In addition to her excellent professionalism and design skills, she has been a constant support to our rowers and will be much missed by the College's yoga enthusiasts! We wish them both well in Australia.

Lydia Robinson, Head of Geography, leaves us to become Assistant Head (Sixth Form) at Lincoln Minster School. She has worked at Radley for 11 years and has led the Geography Department with distinction, all whilst playing a busy role in the life of the College. We wish her the very best in her new chapter. Andria Pancrazi, Head of French, moves to Highgate School in London. We wish him and his partner Henry Cosh (Radley Foundation) well for their upcoming wedding and their future careers. Simon Carr, Head of Woodwind and Brass, retires after 27 years at the College. He intends to spend more time performing, so look out for him at a concert near you!

Our thanks also go to Alex Bibby (Economics), Dan Lafferty (Maths), Joe Lord (Classics), Andrew Wood (Biology), Bradley Jarvis (Chemistry), Sally Matthews (Physics), Molly Moran (Music), Ishan Dirks (English), Tessa de Cordova (PHM, K Social) and Polly Johnson (Registrar).

Gaudy Information

Please find below a reminder of the format of Gaudy on Saturday 6th July, which takes place tomorrow, Saturday 6th July. We would love to see as many of you as possible throughout the day, watching sport, visiting the Art and Design Engineering Exhibitions, and listening to music played by the boys.

For parents who are new to Gaudy, the Tutors' Drinks are followed by picnics on Bigside. The picnics are organised by parents within Social year groups and the dress code for the day is smart casual. Each Social will have an area for parents to gather, as shown on the map above.

We look forward to seeing you on the day.
