## The Haddon Cup

The Theatre was jam-packed on Sunday for the annual Haddon Cup competition. Parents were treated to a wonderful evening of original 10-minute plays performed by Shells, which were written and directed by 6.1 boys. Our adjudicator, Tim Cook, was hugely impressed by the boys' work, saying: "there was such a range of plays on offer, I was not expecting such a variety of genres and styles or such stage discipline." The Haddon Cup Acting Award went to Hugo (S, F) and this year's winning Social was H, with A Social coming a close second, and J Social in third. A video recording of H Social's winning performance is available [here](#) and photographs of the evening are available [here](#).

One for your long-term planner. All Fifths are required to be back at the College by 7pm on Sunday 29th June for Futures Week. The structure of the week will evolve over the coming months, but last year's schedule, available [here](#), will give you a flavour of what the boys will be doing. **Influenza Vaccination**

As you are aware, we offer an annual Influenza vaccination to all boys and staff at Radley. We find this can be particularly beneficial in keeping the community fit and well, particularly with upcoming exams and general workload. As the boys in the Sixth Form are now 16, they are able to consent to this themselves. We appreciate the important role that parents and family play in healthcare decisions and want to work collaboratively with you. With this in mind, we

### **University Open Day Policy**

It is great to hear that so many 6.2s are excited to be visiting universities. I reattach the College policy [here](#) and would appreciate any efforts that can be made to minimise the impact on lessons and College activities. Where possible, if a university is also offering an open day during a holiday, it would be preferable if this opportunity could be taken. **[info]**

## Colonel Guy Stone

Colonel Guy Stone LVO (1985, D) gave an inspiring talk to the Rupert Thorneloe War Studies Society on Monday. After Radley, Colonel Stone commissioned into the Welsh Guards. He was appointed a Lieutenant in the Royal Victorian Order in 2017 and currently serves as Chief of Staff, London District.

## Global University Fair

Increasingly, boys are considering options beyond the UK for university, and Harvard, Stanford, Princeton, Yale, Duke, Brown, Columbia and the University of New York now have Radleians walking their halls. On Monday, we welcomed The University Guys and representatives from the University of Florida, University of Toronto and Bard College in Berlin to meet the boys and tell them more about their institutions and the courses on offer. It was a popular occasion and boys capitalised on the opportunity to make connections and seek advice.

We hope this is the start of a fruitful partnership between the two schools and we are grateful to Harry Chilton (1995, E) who facilitated the introduction. Photos are available [here](#).

## Geology Trip

As part of their A-Level course, Sixth Form geologists travelled to the stunning Jurassic Coast on Tuesday to complete fieldwork. Lulworth Cove provided the perfect backdrop for taking dip and strike measurements.

## Jonno in the News

Readers of *The Telegraph* may have spotted Jonno (6.2, B) who featured in an article written by Charlie Morgan about England Rugby's specialist training camps for junior players. Jonno has represented England U18 numerous times over the last 12 months. The article, which is behind a paywall, is available **here**.

Four boys set off on a bike ride of more than 80 miles in support of the Beagles last Sunday. Arthur (6.2, G), Henry (6.1, F), Edmund (6.1, L) and Adrien (V, F) rode with Charlie Herbert and Tim Morris to raise funds for the beagles running costs. It was a tough day with the wind making things particularly difficult after lunch. Thanks to the parents who supported with refreshments and encouragement, and to Tom Wye for driving the support vehicle. If you wish to donate, you can do so [here](#).

## Football Cup Win

The 1st XI beat the American School in London in the first round of the ISFA U18 Bowl Competition on Tuesday. This is the first time Radley has entered the competition so a 4-2 victory on penalties (after a 2-2 draw) was very pleasing. Congratulations to all who took part. We wish them well for the remainder of the competition.

Radley played the first Foursomes match of the year against Marlborough. The scoreline was tied at 1-1 so the group went back to the 18th for a playoff hole. Radley had just two putts to secure victory after Marlborough lost a ball. Fortunately, the Radley boys sunk the first providing a thrilling end to a wonderful day of golf.

## Family Ties

Few workplaces can boast the number of family connections amongst its staff as Radley can, and this sense of community is often cited as one of the things that makes Radley the special place it is. Roger and Simona Shaw celebrated 20 years of service to Radley recently (although Roger has a few extra, having left and then returned!). They kindly told us about their relationship with the College. The full article is available to read [here](#).
